Planning ahead for your future gives peace of mind that your cremation is in hand for when the worst happens.

Our three new Pre-paid Cremation Plans at Bramcote Crematorium helps local people secure their future cremation at today's prices.

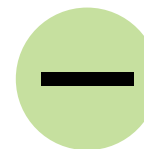

With the cost-of-living increasing year on year, paying for your cremation in advance could save you or your family money in the future, as the cost is fixed and will never rise.

Not only does this alleviate one big decision at an already stressful time for your loved ones, it means that you can secure your cremation at the location of your choice – Bramcote Crematorium.

Our Pre-paid Cremation Plans are for people aged 60 and over. They can work alongside many Funeral Director funeral plans or on their own. If you already have a funeral plan, please speak with your nominated Funeral Director first.

As part of the plan you will receive a legally binding 'Deed' which is your agreement with Bramcote Bereavement Services, a joint venture by Broxtowe Borough Council and Erewash Borough Council.
